**Engaging with Social Work: A Critical Introduction** By Christine Morley, Phillip Ablett, Selma Macfarlane

This book provides a comprehensive introduction to the diverse and contested world of social work. It explores the key concepts and theoretical frameworks underpinning contemporary social work practice, as well as relevant professional skills and strategies from a critical perspective. In a rapidly changing world, it locates critical social work as a part of broader and ongoing struggles for social justice and human rights. Readers are encouraged to think about what social work is or should be, and what sort of social worker they would like to become. The book covers a broad range of topics, including the history and development of social work as a profession, values and ethics, theories for practice, and the fields and context of practice. Definitions of key terms, reflective exercises and case studies are integrated throughout the text. Written by a diverse team of experienced educators, this is a stimulating, rigorous and student-friendly resource.

Together with book everyone in this world may share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some exploration before they write on their book. One of them is this Engaging with Social Work: A Critical Introduction.

**Mark Garcia:**

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's heart or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Engaging with Social Work: A Critical Introduction can make you feel more interested to read.
