Tamed (Dark Protectors) By Rebecca Zanetti

"If you want hot, sexy, dangerous romance. . .this series is for you." –Paranormal Haven

Caleb Donovan was never meant to be a prophet. At heart he's a conqueror, his appetites far more carnal than spiritual. He's not inclined to repress his passions and surrender to fate. After all, that's what cost him Lily—three centuries ago. She married another, because it was ordained. Now that he's in the same benighted calling—and forced into proximity with her—all the old desires are roaring back to life. . .

After widowhood and centuries of celibacy, Lily is eager to explore the wild side of life, except now she's vulnerable to another forced relationship, with an enemy. But this time she's determined to choose her own path. And if hot, furious Caleb comes charging to the rescue, it might just change both their destinies. . .

Love is about to start conquering. . .

"Paranormal romance at its best!" —Cynthia Eden

"Hot and fast from beginning to end." —Kate Douglas on *Fated*

"Sizzling sex scenes and a memorable cast." --*Publishers Weekly* on *Claimed*

Editorial Review

About the Author

No Bio

New York Times and USA Today Bestselling Author Rebecca Zanetti has worked as an art curator, Senate aide, lawyer, college professor, and a hearing examiner - only to culminate it all in stories about Alpha males and the women who claim them. She writes dark paranormals, romantic suspense, and sexy contemporary romances.

Growing up amid the glorious backdrops and winter wonderlands of the Pacific Northwest has given Rebecca fantastic scenery and adventures to weave into her stories. She resides in the wild north with her husband, children, and extended family who inspire her every day--or at the very least give her plenty of characters to write about.

Users Review

From reader reviews:

Clarence Hamm:

In this 21st centuries, people become competitive in each and every way. By being competitive at this point, people have do something to make these people survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Sure, by reading a book your ability to survive raise then having chance to endure than other is high. To suit your needs who want to start reading a new book, we give you this Tamed (Dark Protectors) book as basic and daily reading e-book. Why, because this book is more than just a book.

Lois Bottoms:

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make these keep up with the era and that is always change and advance. Some of you maybe will certainly update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know what type you should start with.
