The Importance of Being Extraordinary By Dr. Wayne W. Dyer, Eckhart Tolle

Taped on location in Hawaii, this audio program provides a rare opportunity to listen in on a profoundly moving dialogue between two of the three “most spiritually influential people alive.”*

Dr. Wayne W. Dyer and **Eckhart Tolle** delve into everything from ancient spiritual texts to contemporary pop culture as they tackle questions we all wrestle with, such as *Who am I? What is real? and What is the meaning of life?* Yet even as they discuss weighty topics such as the economy and addiction, the mood remains graceful, loving, and even humorous. Through their combined wisdom and perception, Wayne and Eckhart bring you inspired lessons for an exhilarating spiritual awakening. This, according to Eckhart, “consists of relinquishing identification with the conditioned mind through the cultivation of awareness.” Although these lessons are full of rich, philosophical insight, they are also very practical and can easily be applied to the individual listener and the world at large. For, as Wayne explains, when we “create a world of extraordinary people who look beyond what they were programmed to become, we impact the entire consciousness of this planet.”
