Valkyrie's Vengeance: Book 1 (Loki's Wolves) By Melissa Snark

The first book in this action-packed, Norse mythology & fantasy series by author Melissa Snark.

A thirty-year alliance that aligned wolves and hunters has shattered.

Victoria Storm leads a few surviving members of her pack in a desperate flight. As the only surviving child of their leaders, the she-wolf inherited the role of Alpha. The violent deaths of her parents and the man she loved left her devastated, and the lives of her followers depend on her decisions. Simple survival often conflicts with the demands of preserving her Norse heritage, so she must struggle to balance her duties as Freya's priestess and Odin's Valkyrie. When innocent children are abducted, she must set aside her differences and work with her worst enemy to rescue them.

This book is a great time! It combines all the best elements of the paranormal with a spine-chilling mystery. Although short, it is a well-told story full of twists and turns. The author has a light easy-going touch with a descriptive style that draws the reader into the action. Although a little light on the shape-shifting aspect of the characters, the story explores other aspects of the supernatural, drawing inspiration from Viking mythology. This use of mythology in a modern way opens up a plethora of new ideas for the genre. "Valkyrie's Vengeance" is a nice easy read, perfect for unwinding after work or on a Sunday afternoon.
