Wild Bear (Bear Shifter Paranormal Romance) (Rescue Bears Book 2) By Scarlett Grove

A bad bear ...

Shane Keenan has survived everything life's thrown at him. Growing up with an abusive stepfather who broke his bear's mind left Shane unable to fully control his shifts. He went from famous chef to being forced to fight in a human war because of the wild bear inside him.

Now he's finally back home on Fate Mountain -- and his toughest challenge yet is waiting.

Bruised hearts ...

Lily Mason has her own scars from growing up with an alcoholic mother. She's loved Shane for years, and when a human/shifter dating site pairs them, she finally tells Shane the shocking truth about their last night together.

Shane can't risk being around Lily or her son Theo, not when he can't control his bear. But Lily knows she and Shane are true mates -- and she's tired of waiting for him to claim her.

Fateful choices

When Theo runs away, Shane knows he'll do anything to bring him back. Can he find a way to heal his bear, save the child ... and persuade his mate to give him another chance?
