Case Studies in Primary Care - E-Book: A Day in the Office By Joyce D. Cappiello, Jeffrey A. Eaton, Gene E. Harkless

Real-world scenarios help you develop clinical reasoning skills for primary care! **Case Studies in Primary Care: A Day in the Office, 2nd Edition** includes 50 case studies on the most commonly encountered situations in primary care. Demonstrating the kinds of health problems that a Nurse Practitioner or Physician Assistant might see during a typical clinical day, case studies cover patients from various cultures and all ages. You're asked to analyze data and think critically in reaching accurate diagnoses and planning effective treatment; you can then submit your responses online for grading and instant feedback.

- **Real-world scenarios** offer the opportunity to analyze clinical situations likely to be encountered in today's primary care settings, providing practice in clinical reasoning skills.
- **Day in the Office format** presents cases hour by hour, in the way a typical clinical day might unfold.
- **Emphasis on problem-based learning** helps you to think critically and analyze clinical situations — such as ear infections, diarrhea, and coughing and fever — in order to provide appropriate primary care.
- **Six NEW cases** are included (for a total of 50), with three focusing on older clients with more complex health challenges, one addressing unplanned pregnancy, and two addressing practice management issues.
- **NEW! Emphasis on follow-up care** addresses patients coming to the primary care setting from retail clinics, rehabilitation settings, or acute-care settings, and underscores the importance of interprofessional collaboration.
- **NEW! Enhanced patient diversity** includes cases for all age groups, and reflects a more contemporary appreciation of cultural diversity and gender/gender identity.
- **NEW! Updates to all cases** ensure that case studies and feedback are consistent with the latest research evidence, clinical practice guidelines, and national and international treatment standards.
- **NEW! Online answer submission** allows you to write Assessment and Plan answers in the printed book, then submit answers online for grading and feedback.

- **NEW! Grading rubrics** are provided on the companion Evolve website to help you develop your answers.
- **NEW! Introduction** explains how to get the most out of the book.
