**Detained and Deported: Stories of Immigrant Families Under Fire** By Margaret Regan

**An intimate look at the people ensnared by the US detention and deportation system, the largest in the world**

On a bright Phoenix morning, Elena Santiago opened her door to find her house surrounded by a platoon of federal immigration agents. Her children screamed as the officers handcuffed her and drove her away. Within hours, she was deported to the rough border town of Nogales, Sonora, with nothing but the clothes on her back. Her two-year-old daughter and fifteen-year-old son, both American citizens, were taken by the state of Arizona and consigned to foster care. Their mother's only offense: living undocumented in the United States.

Immigrants like Elena, who've lived in the United States for years, are being detained and deported at unprecedented rates. Thousands languish in detention centers—often torn from their families—for months or even years. Deportees are returned to violent Central American nations or unceremoniously dropped off in dangerous Mexican border towns. Despite the dangers of the desert crossing, many immigrants will slip across the border again, stopping at nothing to get home to their children.

Drawing on years of reporting in the Arizona-Mexico borderlands, journalist Margaret Regan tells their poignant stories. Inside the massive Eloy Detention Center, a for-profit private prison in Arizona, she meets detainee Yolanda Fontes, a mother separated from her three small children. In a Nogales soup kitchen, deportee Gustavo Sanchez, a young father who'd lived in Phoenix since the age of eight, agonizes about the risks of the journey back.

Regan demonstrates how increasingly draconian detention and deportation policies have broadened police powers, while enriching a private prison industry whose profits are derived from human suffering. She also documents the rise of resistance, profiling activists and young immigrant "Dreamers" who are fighting for the rights of the undocumented.

Compelling and heart-wrenching, *Detained and Deported* offers a rare glimpse

into the lives of people ensnared in America's immigration dragnet.

Should you did not have enough space to create this book you can buy often the e-book. You can m0ore very easily to read this book out of your smart phone. The price is not too costly but this book possesses high quality.

##### **Bryan Foxworth:**

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library

or to make summary for some publication, they are complained. Just little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Detained and Deported: Stories of Immigrant Families Under Fire can make you really feel more interested to read.
