False Sight (A False Memory Novel) By Dan Krokos

All Miranda wants is a normal life. She's determined to move past the horrible truth of her origin as a clone so she can enjoy time with her boyfriend, Peter, and the rest of her friends at school. But Miranda quickly learns that there's no such thing as normal-not for a girl who was raised to be a weapon. When one of Miranda's teammates turns rogue, it begins a war that puts the world in jeopardy. Now, Miranda must follow her instincts-not her heart-in order to save everything she's fought so hard to keep. With the image of a terrible future seared in her mind, what will Miranda have to sacrifice to protect the people she loves?

Dan Krokos's sequel to the tour-de-force *False Memory* is a mind-blowing thriller with high-octane action that will leave readers begging for the final book in this bold and powerful trilogy.

Editorial Review

From School Library Journal

Gr 9 Up—As this story opens, clones Miranda (going by the name Kristin), Sequel (from the same clone family as Miranda), Rhys, Peter, and Noah are trying to blend in as typical high school students, but without much success. They are super soldiers, who can send out mental energy that causes people to panic or go insane. On prom night, Sequel hears a phrase that awakens "Nina" within her mind, causing her to kill Noah and turn against her former team. The relationship of memory and identity is examined as it is only memory shots that allow team members to keep their memories intact and thus remain themselves. Miranda downloads Noah's memory after his death and is able to tap into his knowledge and thoughts. Meanwhile, she is afraid that some secret phrase may awaken a "Nina" within her. Miranda is the focus of the story, as she, Peter, and Rhys follow Sequel/Nina into the Black, where Gane watches over The Verge. They find out that the universe of the Black has many worlds, the most powerful of which is True Earth. In order to "cleanse" worlds of human inhabitants, the razor-clawed Eyeless have been set free, and if Miranda and her team can't obtain the Torch that controls them, the Earth that Miranda knows will be their next target. The book is heavy on action and occasional romance, without a lot of subtlety or depth. It ends with a sword fight in the Oval Office of the White House, followed by a trip through the Black to True Earth, where Miranda makes a sacrifice that sets up the cliff-hanger ending. A good choice where the first book is popular.—Maggie Knapp, Trinity Valley School, Fort Worth, TX

From [Booklist](#)

Engineered to be lethal assassins, Miranda and her fellow cloned friends are on the run and trying to lead normal lives. It's not long, however, before one of them sets her own deadly course. The chase to find the rogue clone unleashes a war of worlds with terrifying monsters, and Miranda is forced to make the ultimate sacrifice to save the future of the planet. The love triangle begun in *False Memory* (2012) becomes even more complicated and unusual in this sequel. This is just one of many surprises that fuels the high energy level and keeps readers guessing until the final installment. Grades 8-11. --Angela Leeper

Review

PRAISE FOR FALSE MEMORY

"A lightning pace paired with a painfully taut cliffhanger ending will have readers racing through this volume and eagerly anticipating the sequel."? *Horn Book*

"The love triangle begun in *False Memory* becomes even more complicated and unusual in this sequel. This is just one of many surprises that fuels the high energy level and keeps readers guessing until the final installment."? *Booklist*

PRAISE FOR FALSE MEMORY

"The action is non-stop, and Miranda is a refreshingly kick-ass heroine."? *Kirkus Reviews*

PRAISE FOR FALSE MEMORY

"*False Memory* is a whirlwind story with an amazing ending. I wish I could forget about this book...so I could read it all over again for the first time. I'm dying to know what happens next-I didn't see the big twist coming. Hurry up, Dan Krokos!"? *Nancy Holder, New York Times best-selling author of Wicked and*

Unleashed

PRAISE FOR FALSE MEMORY

"What if everything you thought you knew was a lie and everyone you thought you loved was a stranger? When the four friends at the heart of *False Memory* suffer the ultimate betrayal, they must destroy each other or learn to trust each other all over again. Krokos weaves layer upon layer of suspense, tightening the tension like a slip knot until there's nowhere to go but rogue, and nothing to risk but everything."? *Sophie Littlefield, national best-selling and award-winning author*

PRAISE FOR FALSE MEMORY

"Dan Krokos' *False Memory* is a fast paced thriller with ingenious twists, revealed at just the right moments, creating a story that is both huge and attainable with characters that you won't forget. Trust no one. Question everything. And be prepared to read the entire book in one sitting because there is no stopping in this exciting young adult debut."? *Julie Cross, author of Tempest*

PRAISE FOR FALSE MEMORY

" [A]nyone with a taste for paranoia- and action-packed speculative thrillers will tear through this volume and be begging for the promised sequel."? *The Bulletin of the Center for Children's Books*

PRAISE FOR FALSE MEMORY

"The action and gadgets make this book a good choice for reluctant readers."? *Library Media Connection*

PRAISE FOR FALSE MEMORY

"Krokos writes in first-person through Miranda, which lends a sense of immediacy to this fast-paced tale. Fans of science fiction and intense action will enjoy this novel, which nicely sets the stage for a series."? *VOYA*

PRAISE FOR FALSE MEMORY

"Dramatic twists and turns add to this memorable thriller."? *Booklist*

From reader reviews:

Catherine Scott:

In this 21st hundred years, people become competitive in most way. By being competitive now, people have do something to make these survives, being in the middle of typically the crowded place and notice by surrounding. One thing that occasionally many people have underestimated that for a while is reading. Yeah, by reading a e-book your ability to survive raise then having chance to stand than other is high. In your case who want to start reading the book, we give you this specific False Sight (A False Memory Novel) book as beginning and daily reading publication. Why, because this book is greater than just a book.

Bill Dildy:

Why? Because this False Sight (A False Memory Novel) is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will distress you with the secret this inside. Reading this book adjacent to it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of benefits than the other book possess such as help improving your proficiency and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the book store hurriedly.

Gerald Sosa:

Reading can called thoughts hangout, why? Because if you find yourself reading a book especially book entitled False Sight (A False Memory Novel) your mind will drift away trough every dimension, wandering in each aspect that maybe not known for but surely can become your mind friends. Imaging every single word written in a book then become one application form conclusion and explanation that maybe you never get just before. The False Sight (A False Memory Novel) giving you an additional experience more than blown away your brain but also giving you useful details for your better life with this era. So now let us demonstrate the relaxing pattern is your body and mind will likely be pleased when you are finished examining it, like winning a casino game. Do you want to try this extraordinary wasting spare time activity?

Roxie Gregory:

That book can make you to feel relax. This particular book False Sight (A False Memory Novel) was vibrant and of course has pictures on there. As we know that book False Sight (A False Memory Novel) has many kinds or category. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore not at all of book usually are make you bored, any it offers you feel happy, fun and rest. Try to choose the best book for you and try to like reading that will.
