Editorial Review

Review

"Oh, the wonderfulness. The variety. The inventiveness. This book contains a whole bunch of DIY mini book projects from the sweet and simple to the complex and artistic. Using different materials, paper, leather, recycled junk, wire and twine < to teach you how to make traditionally bound books, or more unusual books. You'll be inspired." --*Whip Up*

"Have you noticed how popular all things little and cute are recently? Lark is right on target with *Making Mini Books*. You'll learn great techniques for binding all different types of materials together, and even though these are pint-sized projects, you'll be able to apply the techniques to other projects of your own choosing too...This book has plenty of the beautiful photos that Lark is famous for, and there are so many innovative materials used, it will set your mind spinning." --*Mixed Media Artist*
