### Editorial Review

#### Review

"Like a good friend holding your hand, Julie guides you step by step through the entire health-creating process. Drawing on personal experience and the latest research, she clearly explains what causes inflammation and--more importantly--how to permanently eliminate it. Julie provides several whole food, plant-based recipe options that I agree are excellent for pain-free, high-quality living."

--Brendan Brazier, Professional Ironman triathlete and the bestselling author of *The Thrive Diet*
