Mental Illness and Crime By Robert A. Schug, Henry F. (Francis) Fradella

Mental Illness and Crime comprehensively synthesizes and critically examines what is currently known about the relationship of mental illness and individual psychiatric disorders, in particular with criminal, violent, and other forms of antisocial behavior. The book integrates scholarship from psychology, psychiatry, clinical neuroscience, criminology, and law when presenting explanations for and etiologies of mental illness–related criminal and violent behaviors. Moreover, the book provides the reader with a diagnostic understanding of mental disorders across various classification systems, including the current DSM-5 and ICD-10. In addition, Robert A. Schug and Henry F. Fradella critically examine what is known about the treatment and social implications of this body of research, including its practical applications within the criminal justice system. Unique to the field, this text will contribute to a better understanding of criminality and violence and move society toward a greater acceptance of individuals with these illnesses.

Editorial Review

About the Author

Henry F. Fradella earned a BA in psychology from Clark University, a master's in forensic science and a law degree from The George Washington University, and a PhD in interdisciplinary justice studies from Arizona State University. He is currently a professor in and chair of the Department of Criminal Justice at California State University, Long Beach. His area of specialization is the social scientific study of courts and law. This includes research and teaching on the historical development of substantive, procedural, and evidentiary criminal law (including the courtroom acceptability of forensic and social scientific evidence, especially forensic psychological/psychiatric testimony); evaluation of law's effects on human behavior; the dynamics of legal decision making; and the nature, sources, and consequences of variations and changes in legal institutions or processes. He is the author or co-author of 8 books and 75 articles, reviews, and scholarly commentaries that have appeared in various periodicals, including *American Journal of Criminal Law*, *Criminal Justice Policy Review*, *Criminal Law Bulletin*, *Journal of Contemporary Criminal Justice*, *Journal of Criminal Justice Education*, *Journal of Ethnicity in Criminal Justice*, *Journal of Law and Public Policy*, *Journal of Law and Sexuality*, *The Justice Systems Journal*, *Law and Psychology Review*, *The Prison Journal*, and *Western Criminology Review*.

Users Review

From reader reviews:

Virginia Cherry:

Here thing why this Mental Illness and Crime are different and reliable to be yours. First of all examining a book is good but it really depends in the content of it which is the content is as delicious as food or not. Mental Illness and Crime giving you information deeper and different ways, you can find any book out there but there is no book that similar with Mental Illness and Crime. It gives you thrill reading journey, its open up your own eyes about the thing in which happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in area, café, or even in your way home by train. In case you are having difficulties in bringing the branded book maybe the form of Mental Illness and Crime in e-book can be your option.

Edward McClung:

The reserve with title Mental Illness and Crime has lot of information that you can find out it. You can get a lot of gain after read this book. That book exist new expertise the information that exist in this reserve represented the condition of the world now. That is important to yo7u to know how the improvement of the world. This kind of book will bring you with new era of the internationalization. You can read the e-book on the smart phone, so you can read the item anywhere you want.

Donna Young:

Reading a book to get new life style in this season; every people loves to learn a book. When you read a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, such us novel, comics, and also soon. The Mental Illness and Crime offer you a new experience in studying a book.

Dwight Ambrose:

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book had been rare? Why so many query for the book? But virtually any people feel that they enjoy for reading. Some people likes reading through, not only science book and also novel and Mental Illness and Crime or others sources were given expertise for you. After you know how the truly great a book, you feel want to read more and more. Science reserve was created for teacher or perhaps students especially. Those books are helping them to put their knowledge. In some other case, beside science reserve, any other book likes Mental Illness and Crime to make your spare time considerably more colorful. Many types of book like this one.
