### Midsummer Moon By Laura Kinsale

When a powerful, decisive aristocrat undertakes a mission to protect an absent-minded young inventress from England's enemies, he finds his orderly world turned into chaos. Merlin Lambourne's stubborn dream of flight puts her at risk—and is driving Ransom crazy.

In spite of himself, he is oddly enchanted by this muddled miss and her eccentric ways . . . but can he overcome his own fears and realize her invention may be the answer to saving both of their lives?

A whimsical Regency-era tale of flying machines, fancy, and love among the hedgehogs.

### Editorial Review

#### Review

"I believe that the best word to describe *Midsummer Moon* is "adorable", and I mean that as a compliment...Will the hedgehog survive? (SPOILER: Yes, it will.)"

-*SmartBitchesTrashyBooks.com*

"I would pick this one up. You have two intelligent characters who know what they want and are willing to fight for it. Also the relationship between Merlin and Ransom should not be missed by anyone." - *Night Owl Romance*

"If truer-than-life characters in vivid, sometimes-heartstopping situations set against historical events is something that interests you, I suggest you run-don't walk!-to pick up a copy of this book." - *Romance Reader at Heart*

#### From the Author

My thanks to the readers who alerted me to the copy error problems in the earlier Kindle edition. These have been fixed.

#### From the Back Cover

&?No one-repeat, no one-writes historical romance better.&? &

-Mary Jo Putney&

&

If he really loved her, wouldn&?t he want her to realize her dream?&

&

Merlin Lambourne is a famous inventor. When her life is endangered by Napoleon&'s advancing forces, Lord Ransom Falconer, in service of his government, comes to rescue her and falls under the spell of her beauty and absent-minded intellectual brilliance. &

&

Bringing Merlin back to his estate, he promises she can work on her inventions safe from the war. But he feels he must thwart her dream of building a flying machine, not only because he&'s determined to keep her safe, but also because he&'s terrified of heights. When a plot to kill her nearly succeeds, Lord Falconer is forced to admit that her invention might just save both their lives&?&

&

&?The acknowledged master.&? &

### Users Review

#### From reader reviews:

#### Judith Duncan:

Here thing why this kind of Midsummer Moon are different and reliable to be yours. First of all looking at a book is good but it really depends in the content of computer which is the content is as delightful as food or not. Midsummer Moon giving you information deeper and in different ways, you can find any reserve out there but there is no guide that similar with Midsummer Moon. It gives you thrill reading through journey, its

open up your own eyes about the thing in which happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in park, café, or even in your means home by train. For anyone who is having difficulties in bringing the paper book maybe the form of Midsummer Moon in e-book can be your alternate.

### **Vincent Newton:**

The actual book Midsummer Moon has a lot associated with on it. So when you read this book you can get a lot of profit. The book was published by the very famous author. Mcdougal makes some research previous to write this book. That book very easy to read you can find the point easily after reading this book.

### **James Floyd:**

People live in this new moment of lifestyle always attempt to and must have the spare time or they will get wide range of stress from both everyday life and work. So , if we ask do people have time, we will say absolutely indeed. People is human not really a huge robot. Then we question again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then do you ever try this one, reading guides. It can be your alternative inside spending your spare time, the book you have read will be Midsummer Moon.

### **Hayden Wright:**

Do you like reading a publication? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many concern for the book? But any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but also novel and Midsummer Moon or even others sources were given know-how for you. After you know how the truly great a book, you feel wish to read more and more. Science book was created for teacher or even students especially. Those publications are helping them to increase their knowledge. In other case, beside science publication, any other book likes Midsummer Moon to make your spare time more colorful. Many types of book like this one.
