Survivor By J. F. Gonzalez

BEFORE HOSTEL...BEFORE SAW..THERE WAS SURVIVOR... It was supposed to be a romantic weekend getaway. Lisa was looking forward to spending time alone with her husband-and telling him that they are going to have a baby. Instead, it becomes a nightmare when her husband is arrested and Lisa is kidnapped. But the kidnappers aren't asking for ransom. They want Lisa herself. They're going to make her a star-in a snuff film. What they have in mind for Lisa is unspeakable. They plan to torture and murder her as graphically and brutally as possible, and to capture it all on film. If they have their way, Lisa's death will be truly horrifying...but even more horrifying is what Lisa will do to survive... Deadite Press is proud to present the classic hardcore horror novel by J. F. Gonzalez. Now a new generation of readers will ask - how far would you go to survive?

Review

"...it pushes your eyes off the page and then pulls them back..." -- *New York Times Review of Books*, October 31, 2004

From the Back Cover

It is supposed to be a romantic weekend getaway. Lisa is looking forward to spending time alone with her husband—and telling him that they are going to have a baby. Instead, it becomes a nightmare when her husband is arrested and Lisa is kidnapped. But the kidnappers aren't asking for ransom. They want Lisa herself. They're going to make her a star—in a snuff film.

What they have in mind for Lisa is unspeakable. They plan to torture and murder her as graphically and brutally as possible, and to capture it all on film. If they have their way, Lisa's death will be truly horrifying...but even more horrifying is what Lisa will do to survive....

From reader reviews:

John Lee:

The book Survivor gives you the sense of being enjoy for your spare time. You can use to make your capable far more increase. Book can to become your best friend when you getting stress or having big problem with your subject. If you can make studying a book Survivor to get your habit, you can get far more advantages, like add your current capable, increase your knowledge about some or all subjects. It is possible to know everything if you like open and read a e-book Survivor. Kinds of book are a lot of. It means that, science publication or encyclopedia or some others. So , how do you think about this guide?

Eunice Buckley:

Does one one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Try to pick one book that you just dont know the inside because don't ascertain book by its cover may doesn't work at this point is difficult job because you are scared that the inside maybe not since fantastic as in the outside search likes. Maybe you answer is usually Survivor why because the fantastic cover that make you consider in regards to the content will not disappoint an individual. The inside or content is usually fantastic as the outside as well as cover. Your reading 6th sense will directly guide you to pick up this book.

Lizabeth Melgar:

This Survivor is great reserve for you because the content that is full of information for you who have always deal with world and still have to make decision every minute. That book reveal it details accurately using great plan word or we can state no rambling sentences inside. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information

with beautiful delivering sentences. Having Survivor in your hand like keeping the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world with ten or fifteen small right but this guide already do that. So , this is good reading book. Hello Mr. and Mrs. busy do you still doubt which?

Penny Laughlin:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Survivor can make you really feel more interested to read.
