## Bear Country School goes zero-tolerant on toy guns

From the Inside Flap

March

The Berenstain Bears and

Once again, the Berenstains have focused on a subject of great concern for parents and kids alike: guns.

When Ferdy the nerd gets paired with Too-Tall the jock in an assignment to study inventions, the one subject they can agree on is guns. While Ferdy's interest is strictly intellectual, Too-Tall's is, unfortunately, basically bang-bang. Things come to a head at Bear Country School when Too-Tall brings in a monster squirt gun that looks an awful lot like the real thing. The whole class learns a valuable lesson: in the wrong hands, guns can be bad business--whether they are real or not.
