Editorial Review

Amazon.com Review

*"When the Dark comes rising, six shall turn it back,
Three from the circle, three from the track;
Wood, bronze, iron; water, fire, stone;
Five will return, and one go alone."*

With these mysterious words, Will Stanton discovers on his 11th birthday that he is no mere boy. He is the Sign-Seeker, last of the immortal Old Ones, destined to battle the powers of evil that trouble the land. His task is monumental: he must find and guard the six great Signs of the Light, which, when joined, will create a force strong enough to match and perhaps overcome that of the Dark. Embarking on this endeavor is dangerous as well as deeply rewarding; Will must work within a continuum of time and space much broader than he ever imagined.

Susan Cooper, in her five-title Dark Is Rising sequence, creates a world where the conflict between good and evil reaches epic proportions. She ranks with C.S. Lewis and J.R.R. Tolkien in her ability to deliver a moral vision in the context of breathtaking adventure. No one can stop at just one of her thrilling fantasy novels. Among many other prestigious awards, *The Dark Is Rising* is a Newbery Honor Book and a Carnegie Medal Honor Book. (Ages 8 and older) --*Emilie Coulter*

"So perfect is the match between Alex Jennings' voice and this mysterious magical tale--that it is difficult to imagine any other voice reading these words." -The Horn Book Magazine
