Editorial Review

Review

"A melding of theory and practice. Presents the reader with much-needed information about issues and techniques necessary for implementing a play therapy group with specific populations of children. How, why, when, and for whom to organize play therapy groups is made crystal clear. This book is must-reading for all play therapists." (from the foreword, Garry L. Landreth, regents professor and director, Center for Play Therapy, University of North Texas)

"The authors have pinpointed a dynamic and developing area of therapeutic play. . . . A very valuable resource in working with children." (Robert C. Berg, professor and assistant chair, Department of Counseling, Development, and Higher Education, University of North Texas)

"An up-to-the-minute authoritative book. This book is it. Sweeney and Homeyer have provided a collection by first rate writers/practitioners of all the current major methods in use today." (Louise Guerney, professor emerita, The Pennsylvania State University)

"This masterful book brings together leaders in the field of child therapy. Sweeney and Homeyer's wisdom enchants, beguiles, nourishes, teaches, and inspires." (Beverly James, author of *Treating Traumatized Children and Guidelines for Treatment of Attachment-Trauma Problems in Children*)

From the Inside Flap

Angel Sullivan:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Handbook of Group Play Therapy: How to Do It, How It Works, Whom It's Best For can make you feel more interested to read.
