### Wolf Claim (Wolves of Willow Bend) (Volume 3) By Heather Long

Gillian Whitford, darling of Willow Bend, brings out the protective instincts in all the dominants, but none more so than Owen Chase, the pack's Hunter. A loner by nature and calling, Owen spends less time with his pack mates and more time on the borders of their land. Not even the change in the Alpha and the swearing of a new oath kept him around long. Winds of change still drift through Willow Bend as they adjust to their new Alpha. When the Hudson River pack requests a fill-in healer to replace their own, Gillian, journeymen apprentice to their Pack healer, is the obvious choice to help. Owen forbids her to accept, but the sweet natured wolf rebukes his selfishness and volunteers anyway. Risking a challenge, Owen faces off against his Alpha to appeal her decision and finds himself charged with her safety. Now, the loner will be escorting one of his pack's most precious into foreign lands. He's all that stands between her and a dozen potential threats...and if he doesn't stake his claim, he may lose more than his heart.
