Fans of John Grisham are excited about his very first sequel, *Sycamore Row*, which follows the characters and setting of *A Time to Kill*. If you are looking for a deeper reading experience, then this analysis is the perfect companion.

In *Sycamore Row*, we return to the character of Jake Brigance and the town of Clanton, Mississippi. With the Carl Lee Hailey case well behind him, Jake is frustrated and bored with the status of his professional life. But as he immerses himself in defending a will during an intense jury trial against powerful opponents, he gets out of the professional doldrums. The experience seems to breathe new life into his personal affairs, as well.

John Grisham crafts a tale of revenge and forgiveness with a gentler voice than in *A Time to Kill*. Fans will appreciate Grisham's range, as the reader enjoys the building tension as Jake does battle without the threat of death hanging over his head.
