Never Kiss a Stranger (Never Series Book 1) (Never Say Never) By Winter Renshaw

It was an innocent mistake...

All workaholic real estate broker Addison Andrews wanted was one night of pleasure, and picking the right guy was no different than shopping from a catalog thanks to the dating app on her phone. His name was Wilder, and his profile was blank – just a sexy picture of a man who promised every wicked intention of a one-night stand.

The agreement was simple. One night. No last names. But the second their bodies melded together in the sheets of their posh Manhattan hotel room, there was no denying they fit together like two pieces of a broken puzzle.

There's just one problem...

Addison unknowingly swiped right on the one man she wasn't supposed to be with – her new stepbrother. All it takes is one bite of forbidden fruit to become addicted, but being with him has major consequences for their entire family. And if anyone found out about them, the career she worked so hard to build would crumble to the ground.

But Wilder Van Cleef doesn't care about the possibility of a scandal. He wants her, and he's willing to do whatever it takes.

PLEASE NOTE: This is a standalone, full-length romance novel with NO cliffhanger.
