Passenger By Alexandra Bracken

In one devastating night, violin prodigy Etta Spencer loses everything she knows and loves. Thrust into an unfamiliar world by a stranger with a dangerous agenda, Etta is certain of only one thing: she has traveled not just miles, but years from home. And she's inherited a legacy she knows nothing about from a family whose existence she's never heard of. Until now.

Nicholas Carter is content with his life at sea, free from the Ironwoods—a powerful family in the Colonies—and the servitude he's known at their hands. But with the arrival of an unusual passenger on his ship comes the insistent pull of the past that he can't escape and the family that won't let him go so easily. Now the Ironwoods are searching for a stolen object of untold value, one they believe only Etta, his passenger, can find. In order to protect her, Nick must ensure she brings it back to them—whether she wants to or not.

Together, Etta and Nicholas embark on a perilous journey across centuries and continents, piecing together clues left behind by the traveler who will do anything to keep the object out of the Ironwoods' grasp. But as they get closer to the truth of their search, and the deadly game the Ironwoods are playing, treacherous forces threaten to separate Etta not only from Nicholas but from her path home forever.

Editorial Review

From School Library Journal

Gr 9 Up—This series opener doesn't let up its high-octane pace until the final page. In a matter of moments, Etta, a talented teenage violinist in New York City, goes from making her concert soloist debut to finding herself prisoner aboard a ship in the distant past. It turns out she is descended from one of a dwindling number of time-traveling families who manipulate history in an ongoing fight for power and influence. The captain of the ship, Nicholas Carter, was hired to retrieve Etta and bring her to the head of the most powerful family. Together they must travel across the globe and through different time periods in search of the long missing astrolabe. There are plenty of twists and turns and excitement as they travel—though at almost 500 pages, the story has periods where it drags, and complex plot machinations and world-building threaten to overwhelm the narrative. Luckily, the romance crackling between Nicholas and Etta will keep fans intrigued. **VERDICT** This strong new series will appeal to readers looking for a time-traveling adventure with plenty of drama and romance.—Eliza Langhans, Hatfield Public Library, MA

Review

Users Review

From reader reviews:

Dennis Scott:

A lot of people always spent all their free time to vacation as well as go to the outside with them friends and family or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity here is look different you can read any book. It is really fun for yourself. If you enjoy the book that you read you can spent all day every day to reading a guide. The book Passenger it is quite good to read. There are a lot of people who recommended this book. These were enjoying reading this book. In the event you did not have enough space to develop this book you can buy often the e-book. You can m0ore very easily to read this book through your smart phone. The price is not to fund but this book possesses high quality.

Ann Gonzalez:

This Passenger is great guide for you because the content that is full of information for you who also always deal with world and get to make decision every minute. That book reveal it facts accurately using great plan word or we can point out no rambling sentences within it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having Passenger in your hand like getting the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world in ten or fifteen second right but this e-book already do that. So , this is good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?

William Troutt:

As we know that book is important thing to add our expertise for everything. By a reserve we can know everything you want. A book is a pair of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This e-book Passenger was filled about science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading a

new book. If you know how big benefit of a book, you can truly feel enjoy to read a e-book. In the modern era like right now, many ways to get book that you just wanted.

Katherine Shadrick:

Do you like reading a guide? Confuse to looking for your best book? Or your book seemed to be rare? Why so many question for the book? But any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but additionally novel and Passenger or others sources were given understanding for you. After you know how the truly amazing a book, you feel would like to read more and more. Science book was created for teacher or perhaps students especially. Those ebooks are helping them to include their knowledge. In additional case, beside science book, any other book likes Passenger to make your spare time a lot more colorful. Many types of book like here.
