Releasing Rage (Cyborg Sizzle Book 1) By Cynthia Sax

Half Man. Half Machine. All Hers.

Rage, the Humanoid Alliance's most primitive cyborg, has two goals--kill all of the humans on his battle station and escape to the Homeland. The warrior has seen the darkness in others and in himself. He believes that's all he's been programmed to experience.

Until he meets Joan.

Joan, the battle station's first female engineer, has one goal--survive long enough to help the big sexy cyborg plotting to kill her. Rage might not trust her but he wants her. She sees the passion in his eyes, the caring in his battle-worn hands, the gruff emotion in his voice.

When Joan survives the unthinkable, Rage's priorities are tested. Is there enough room in this cyborg's heart for both love and revenge?

Releasing Rage is a dark BBW Cyborg SciFi Romance.

From the Author

This is dark SciFi erotic romance. If you're sensitive to violence (of ANY kind), please read one of my lighter SciFi erotic romances.

Releasing Rage IS a romance and has the expected romance ending.

There will be at least twelve stories in the Cyborg Sizzle series.

All of these stories, unless otherwise noted, can be read on their own.

Releasing Rage (Rage's story)

Breathing Vapor (Vapor's story - This story happens at the same time as Releasing Rage)

Being Green (this is a FREE short story with Green as the hero - it assumes that you've already read Releasing Rage)

Crash And Burn (Crash's story)

Defying Death (Death's story)

Chasing Mayhem (Mayhem's story - This story happens at the same time as Defying Death)

Jumping Barrel (this is a FREE short story with Barrel as the hero - it assumes you've read the series up to and including Crash And Burn)

Hers To Command (Ace, Thrasher and the Commander's story)

Ghost's Story - Title To Be Determined.

I expect Intrepid, Vector and many of the other cyborgs will have stories.
