Reluctant Consort (Wizards Twins Book 4) By Lora Leigh

Book four in the Wizard Twins series.

Arabella da'Alistair is aware of her fate. The daughter of an evil king, she knows she must be sacrificed to allay the people's fear she will become a creature of magick. But suffering so at the hand of her father is more than she can bear. She wants one more chance to be wrapped in a magickal ménage with the warriors she has been meeting in secret. Warriors who have no idea who she truly is.

Caedan and Daelan of the Ogre house Dungarrin agree to save a woman destined for horrors, as demanded by their two kings. She may not be the woman they long to possess, body and soul, but they will follow their duty. But fate shines on them and the twins will do whatever it takes to save this woman—their woman—and deliver her to the safety of their arms, and the pleasure of their bed.
