Stone of Tears By Terry Goodkind

An Epic of Awesome Power

Kahlan has at last gained the one goal she had always thought was beyond her grasp ... love. Against all odds, the ancient bonds of secret oaths, and the dark talents of men long dead, Richard has won her heart.

Amid sudden and disastrous events, Richard's life is called due to satisfy those treacherous oaths. To save his life, Kahlan must forsake Richard's love and cast him into the chains of slavery, knowing there could be no sin worse than such a betrayal.

Richard is determined to unlock the secrets bound in the magic of ancient oaths and to again be free. Kahlan, alone with the terrible truth of what she has done, must set about altering the course of a world thrown into war. But even that may be easier than ever winning back the heart of the only man she will ever love.

Editorial Review

From Publishers Weekly

This satisfying sequel to Goodkind's powerful debut novel, *Wizard's First Rule*, has everything one could ask for in an epic fantasy. In the earlier book, Seeker of Truth Richard Cypher tricked the sorcerer Darken Rahl by using Wizard's First Rule (that people are stupid and can be easily misled) into opening the wrong Box of Orden. Though this saved humanity from the evil mage's tyrannies, it also tore the veil between worlds, so the diabolical Keeper of the Underworld can now reach through and seize permanent control of the living. To stop this from happening, Richard must now learn how to be a wizard. The Sisters of the Light promise they will teach him to wield his powers, but they require that he wear a collar of obedience, something he has sworn he would rather die than do. Events sweep Richard and his betrothed, the Mother Confessor Kahlan Amnell, apart from one another; later, in one of the most vigorous battle sequences written for a heroine in modern fantasy, Kahlan leads her underage troops against battle-hardened soldiers, the young warriors naked except for a spectral coat of whitewash intended to make them look like "spirits." Those who like their fantasy big and brassy will revel in this exemplar of the genre.

From Library Journal

After the death of Sorcerer Darken Rahl, Richard Cypher—a woods guide turned reluctant hero—finds that his responsibilities have only just begun. He seeks a teacher to help him control his magical gift but is caught in a difficult struggle to retain control over his destiny. Goodkind's talents for world building and characterization are again featured in this sequel to *Wizard's First Rule* (LJ 9/15/94). He explores not only the deeds but the innermost thoughts of his heroes and villains. Graphic depictions of sex and violence, though integral to the story, limit this powerful saga to mature audiences.

From [Booklist](#)

The second volume of *The Sword of Truth* continues the quest of Richard Cypher, reluctant hero turned magical warrior, and his beloved Kahlan Amnell, the last Mother Confessor. Twisting the traditional roles (now common enough in fiction but done particularly well here), it is Richard who has to handle the magical part of the quest and Kahlan who must lead armies against the surviving forces of the dead mage, Darken Rahl. Not as tightly written as it might be, this volume yet features plenty of action, some engaging characters, and world building full of nice touches and intelligence. Goodkind's prospective series may have been encouraged by Robert Jordan's successful *Wheel of Time* saga. Goodkind has not yet attained Jordan's level of performance, but he now has two big, well-told yarns under his belt, which bodes well for the forthcoming rest. *Roland Green*

Users Review

From reader reviews:

Jonathan Ownby:

The book untitled *Stone of Tears* is the reserve that recommended to you to read. You can see the quality of the publication content that will be shown to you actually. The language that creator use to explained their way of doing something is easily to understand. The article writer was did a lot of analysis when write the book, hence the information that they share to you is absolutely accurate. You also can get the e-book of

Stone of Tears from the publisher to make you considerably more enjoy free time.

David Rutherford:

A lot of people always spent their free time to vacation or even go to the outside with them friends and family or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity that is look different you can read any book. It is really fun to suit your needs. If you enjoy the book that you just read you can spent all day every day to reading a reserve. The book Stone of Tears it doesn't matter what good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. Should you did not have enough space to create this book you can buy typically the e-book. You can m0ore very easily to read this book out of your smart phone. The price is not too expensive but this book features high quality.

Michael Sheridan:

Playing with family in a very park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, subsequently why you don't try issue that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Stone of Tears, you are able to enjoy both. It is excellent combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout fellas. What? Still don't obtain it, oh come on its known as reading friends.

Brenda Moulton:

What is your hobby? Have you heard that will question when you got college students? We believe that that query was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. So you know that little person such as reading or as examining become their hobby. You have to know that reading is very important and also book as to be the factor. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You find good news or update concerning something by book. Different categories of books that can you take to be your object. One of them is actually Stone of Tears.
