The Cambridge History of the Cold War (Volume 3) From Cambridge University Press

This volume examines the evolution of the Cold War from the Helsinki Conference of 1975 until the Soviet collapse in 1991. Leading scholars analyze the economic, social, cultural, religious, technological, and geopolitical factors that shaped the policies that ended the Cold War, looking at the personalities and policies of Carter and Reagan, Brezhnev and Gorbachev, Thatcher, Kohl, and Deng Xiaoping. They show how events throughout the world shaped the evolution of Soviet-American relations and also explore the legacies of the super-power confrontation in a comparative and trans-national perspective. Penetrating chapters examine how the Cold War affected and was affected by the environment, the global economy, consumer capitalism, human rights and non-governmental organizations. The authors also deal with demographic trends, capital flows, multilateral institutions, and geopolitical configurations. This is international history at its best: emphasizing social, intellectual, economic and geostrategic trends without losing focus on personalities, politics, and human agency.

Editorial Review

Review

"There has never been a Cold War history like it; everything about it is monumental.... In total, the volumes represent a successful interconnected attempt at describing the Cold War in full." -H-Soz-u-Kult

"Like its two predecessors, the third installment of The Cambridge History of the Cold War (CHCW), is scholar's and instructor's dream for it provides well organized chapters covering major issues in the research of the late Cold War period, all delivered by leading historians in the field." -H-Diplo, Dina Fainburg

"a superb collection" -H-Diplo, Robert English

About the Author

Melvyn P. Leffler is Edward Stettinius Professor of American History at the Department of History, University of Virginia. Users Review

From reader reviews:

Georgia Lopez:

Precisely why? Because this *The Cambridge History of the Cold War (Volume 3)* is an unordinary book that the inside of the book waiting for you to snap it but latter it will surprise you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking means. So , still want to delay having that book? If I had been you I will go to the publication store hurriedly.

Vicky Moore:

In this age globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information better to

share. You can find a lot of references to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. The book that recommended for your requirements is The Cambridge History of the Cold War (Volume 3) this book consist a lot of the information of the condition of this world now. This specific book was represented how does the world has grown up. The words styles that writer require to explain it is easy to understand. Typically the writer made some analysis when he makes this book. Here is why this book suitable all of you.

Nellie Wellborn:

Many people spending their period by playing outside together with friends, fun activity with family or just watching TV the whole day. You can have new activity to invest your whole day by reading through a book. Ugh, you think reading a book can actually hard because you have to use the book everywhere? It okay you can have the e-book, getting everywhere you want in your Cell phone. Like The Cambridge History of the Cold War (Volume 3) which is having the e-book version. So , try out this book? Let's notice.

Joseph Robison:

What is your hobby? Have you heard in which question when you got scholars? We believe that that concern was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person just like reading or as examining become their hobby. You need to know that reading is very important and also book as to be the issue. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You get good news or update with regards to something by book. Different categories of books that can you take to be your object. One of them is The Cambridge History of the Cold War (Volume 3).
