Editorial Review

From the Inside Flap

I studied my reflection in the mirror over the sink. Clean-shaven...blond hair cropped just below my ears, with the usual old-fashioned bangs. I looked like all the other young Amishmen I knew. And it made me feel even more lost.

Deserting the mirror, I went to kneel beside one of the bunks in the main room. "Hear my prayer for guidance, O God," I whispered, feeling guilty as I was reminded of my disobedience to the wishes of my parents. Could I expect my prayers to reach past the ceiling?

A single gas lantern brightened the gloom. There was really no need for the lantern when the cabin had electricity, but having my old lantern from home reminded me of the very thing that had brought me to this momentous day. Because I knew full well if I continued to walk the fence, I might end up on the other side--the outside, looking in.

From the Back Cover

Come home to Hickory Hollow, Pennsylvania--the beloved setting where Beverly Lewis's celebrated Amish novels began--with new characters and new stories of drama, romance, and the ties that draw people together.

A wrong turn in a rainstorm leads Englisher Amelia Devries to Michael Hostetler--and the young Amishman's charming Old Order community of Hickory Hollow. Despite their very different backgrounds, Amelia and Michael both feel hemmed in by the expectations of others and struggle with how to find room for their own hopes. And what first seems to be a chance encounter might just change their lives forever.

"Lewis's presentation of Amish life portrays the advantages and disadvantages of a community with definite rules and a solidarity that can be both enviable and constraining. The musical motifs offer welcome variation on very familiar Amish themes that Lewis renders in virtuoso style. This opens the Home to Hickory Hollow series, but stands alone nicely." --Publishers Weekly
