Baby Steps (An ABDL Age Play Romance) (Nikki's First Steps Book 2) By Cindel Sabante

This is **Book Two** of the series, *Nikki's First Steps*. While this book can be read as a stand-alone story, the author encourages readers to check out *Little Steps (A DD/lg Age Play Romance)*

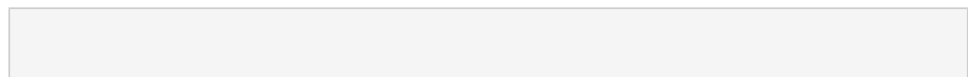

Four days after coming back home from being arrested, Nikki is getting used to being a well behaved little girl for Jason. But when the older man decides the sassy eighteen year old still isn't acting her age, he decides to take things a step further. After Nikki wakes up wet from a bad dream, Jason has no choice but to take his little girl and put her into something a bit more babyish.

Starting with a new teddy bear, and ending up back in pull-ups, Nikki doesn't know what to do. Part of her hates the humiliation. She's a big girl, not a baby! But another part of her secretly loves the embarrassment. And her confusion only grows worse as Jason adds on with bibs, bottles, baby food and even some new pacifiers. She has no choice but to sit helplessly as he turns back the clock. If she behaves, she'll be rewarded with special playtime in Jason's bed. And if she gets out of line, he has no problem punishing his bad baby girl.

All Nikki needs to do is keep her diapers dry for a week, to prove to Jason that her accidents were just that. If she can make it, she'll be able to grow up again. But if she wets her diaper, she'll be his baby until he decides she's learned her lesson.

The only problem is, the longer he treats her like a baby, the more she secretly enjoys it...

This 21,000 word story contains Age play, cute diapers, wet pants, confused baby girls, hot and heavy bedroom action, and even a couple of enemas if someone gets out of line!
