Bankruptcy of Our Nation By Jerry Robinson

Surrounded by a host of political and social problems, America stands at the crossroads of a devastating economic crisis - the size and scope of which demands immediate action, while instability and debt loom over the future.

America is the greatest debtor nation in history.
The value of the dollar is at tremendous risk.
Inflation is about to become a huge reality.

Crippled by personal debt, local and state governments facing revenue losses, and the federal government struggling to bail out segments of the economy, many Americans are suddenly afraid and uncertain of what the future may bring. Many worry if the United States can even recover from this crisis. Will you and your family financially survive and even thrive during this turbulent time?

Bankruptcy of Our Nation gives you vital insight, historical and future perspective, revealing how America got into this mess, and how you can make informed decisions to weather this economic crisis. Don't rely on the government to secure your future - empower yourself with sound economic strategies, solutions, and godly principles today!
