Now there's a major storm bearing down on the North Carolina coast, and it could be catalyst enough to force Aidan and Zoe into some major decisions of the heart.

About the Author

New York Times and USA Today Bestseller/contemporary romance writer Samantha Chase released her debut novel, *Jordan's Return*, in November 2011. Although she waited until she was in her 40's to publish for the first time, writing has been a lifelong passion. Her motivation to take that step was her students: teaching creative writing to elementary age students all the way up through high school and encouraging those students to follow their writing dreams gave Samantha the confidence to take that step as well.

When she's not working on a new story, she spends her time reading contemporary romances, playing way too many games of Scrabble or Solitaire on Facebook and spending time with her husband of 25 years and their two sons in North Carolina.
