Taking a Shot (Portland Storm) (Volume 3) By Catherine Gayle

USA Today bestselling author Catherine Gayle presents another novella in the Portland Storm hockey romance series. Rising hockey star Jamie Babcock is ready to take the most important shot of his life—and this time, it's not on the ice. Dating his teammate's daughter might be riskier than going head to head with one of the Portland Storm's rivals. But time is running out—it's now or never. High school senior Katie Weber knows all too well the woes of adolescence, but throw in a leukemia diagnosis, and her life just got a lot more complicated. With prom looming and a shiny bald head to contend with, Katie might sit at home on the most important night of her potentially very short life. Unless Jamie Babcock, her ultimate crush, finally makes the move she's been praying for. But that's not the only miracle she needs. Now Jamie must show Katie just how important she is and how hard she must fight. Before it's too late... This 20,000 word novella was previously released as part of the Seduced by the Game anthology. Jamie and Katie's story continues in Dropping Gloves.

Editorial Review

From the Author

Dear reader,

The books of the Portland Storm series are hockey romances, but they go much deeper than the sport of hockey. These books touch on real-world issues such as rape, cancer, miscarriage, bullying, PTSD, grief, addiction, and many other similar subjects. If you have triggers, be aware that these books may very well contain material which could trigger you. That said, I endeavor to tackle these issues with sensitivity and compassion.

Additionally, many readers have requested that I put a TISSUE WARNING on the books in this series. I've received notes from readers about every single book in the series, in which readers tell me how the characters and the story brought them to tears. You may not need tissues for each book--the story line that resonates most for you may not be the one that others responded to in that way--but don't say I didn't warn you.

On that note, I have another warning for you: my hockey players curse like...well...hockey players. And there is a fair amount of sex in these books. If cursing and sex aren't your cup of tea, these books probably won't be, either.
