### The Argument Writing Toolkit: Using Mentor Texts in Grades 6-8 By Sean Runday

In order for students to *write* effective arguments, they need to *read* good arguments. In this practical book, you'll find out how to use mentor texts to make writing instruction more meaningful, authentic, and successful. Author Sean Runday demonstrates how you can teach middle school students to analyze the qualities of effective arguments and then help them think of those qualities as tools to improve their own writing. You'll learn how to:

- Introduce high-interest topics to students to get them interested and engaged in argument writing.
- Teach students to look at multiple sides of an issue and critically evaluate evidence to construct informed, defensible arguments.
- Make argument writing an interactive, student-driven exercise in which students pursue their own writing projects.
- Use mentor texts to help students learn the core concepts of argument writing and apply those skills across the curriculum.

The book is filled with examples and templates you can bring back to the classroom immediately, as well as an annotated bibliography which links the concepts in this book to the corresponding Common Core State Standards. Blank templates are also available as printable eResources on our website (<http://www.routledge.com/9781138924390>).

### Editorial Review

#### Review

"In readable, accessible language, Sean Ruday covers all the bases for teaching argument writing to middle school students. *The Argument Writing Toolkit* is exactly what teachers need to help students think logically and express themselves cogently about important topics. This is a book that all middle school teachers will want to keep within arm's reach."

**--Amy Benjamin, Literacy Consultant and author of thirteen books, including *Infusing Grammar Into the Writer's Workshop***

"Untangling an inherently complex task, Ruday supports middle school teachers in creating authentic argument writing experiences for students. Teachers will appreciate the student-friendly analysis of the attributes of effective argument writing, the concrete strategies for integrating reading and writing using mentor texts, and the thoughtful discussion on assessment--and busy teachers will find a treasure trove in the annotated bibliography. I will be using this book with my pre-service English teachers as it provides easy access into a significant instructional area that can panic the inexperienced!"

**--Natasha A. Heny, Ph.D., Assistant Professor of English Education, University of Virginia**

"Ruday provides relevant, practical strategies that teachers can use to improve students' argumentative writing pieces. With the Common Core era upon us, it is imperative that teachers are able to effectively guide students to improve their writing skills, and Ruday successfully weaves the Common Core standards with interesting, easy-to-implement strategies and lessons."

**--Kim Wagner, 6th Grade Honors English Language Arts Teacher, Traugber Junior High School, IL**

#### About the Author

**Sean Ruday** is Assistant Professor of English Education at Longwood University. He is also the author of *The Informational Writing Toolkit*, *The Common Core Grammar Toolkit, Grades 6-8*, and *The Common Core Grammar Toolkit, Grades 3-5*.
