The Unthinkable By Monica McCarty

Five years ago Eugenia “Genie” Prescott, the daughter of a country parson, gave her heart to a young nobleman who betrayed her. Seduced by an unspoken promise of marriage, she is forced from her home to avoid scandal. Irreparably changed from the destruction wrought by the failed relationship, Genie has paid for her sins in tragedy and heartbreak. Returning to England on the arm of the man who rescued her from hell, she is determined to reclaim the life denied her and never be at the mercy of a man again. But the secrets of the past threaten to ruin her future when she comes face-to-face with the man whose betrayal nearly destroyed her. Forced to choose between duty and desire, Lord Fitzwilliam Hastings refused to defy his family and do the unthinkable: marry a girl of inferior wealth and rank. But by time he realizes his error, Genie has disappeared. Haunted by the failure of his youth, and by the girl he could never forget, Hastings, now unexpectedly the Duke of Huntingdon, has searched for her for five years. But now that Genie is back, the duke has his chance for atonement and is determined to make it up to her... even if the reluctant Genie has to be persuaded.

Editorial Review

About the Author

Monica McCarty is the New York Times and USA Today bestselling author of fifteen (and a half!) Scottish Historical romances, including her current Highland Guard series (THE CHIEF, THE HAWK, THE RANGER, THE VIPER, THE SAINT, THE RECRUIT, THE HUNTER, THE KNIGHT (novella), THE RAIDER and THE ARROW), and two Regency Romances (THE UNTHINKABLE and TAMING THE RAKE). Her books have won and been nominated for numerous awards, including the Romance Writers of America's RITA & Golden Heart, RT Book Reviews Reviewers' Choice, the Bookseller's Best, and Amazon's Best Books of the Year. Known for her "torrid chemistry" and "lush and steamy romance" as well as her "believable historical situations" (Publishers Weekly), her books have been translated and published throughout the world. Monica's interest in the Scottish clan system began in the most unlikely of places: a comparative legal history course at Stanford Law School. After a short, but enjoyable, stint practicing law, she realized that mixing a legal career with her husband's transitory career as a professional baseball player was not exactly a match made in heaven. So she "traded" in her legal briefs for Historical Romances with sexy alpha heroes. When not trekking across the moors and rocky seascapes of Scotland and England, Monica can be found in Northern California with her husband and two children.
