Army Aviation Maintenance (TC 3-04.7) By Department of the Army

Training circular (TC) 3-04.7 outlines requirements concerning aviation maintenance structure, organizations, and functions. The intended audiences are aviation maintenance commanders, leaders, officers, technicians, noncommissioned officers (NCOs), and aircraft repair and maintenance personnel. TC 3-04.7 applies to all active, Army Army National Guard (ARNG)/Army National Guard of the United States (ARNGUS), United States Army Reserve (USAR), civilian, and contract maintenance personnel unless otherwise stated. Commanders must consider the contents of this document and the particular circumstances in which they find themselves (national military objectives, available forces, threat capabilities, and rules of engagements) when planning maintenance operations. The term 'aircraft' refers to all Army aircraft types (rotary-wing, fixed-wing, and unmanned aircraft systems [UAS]), unless a specific aircraft has been identified in this publication.

Editorial Review

Users Review

From reader reviews:

Lori Johnson:

Reading a e-book tends to be new life style with this era globalization. With reading you can get a lot of information which will give you benefit in your life. Having book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only the story that share in the publications. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some exploration before they write to their book. One of them is this Army Aviation Maintenance (TC 3-04.7).

Julian Loreda:

The reason? Because this Army Aviation Maintenance (TC 3-04.7) is an unordinary book that the inside of the book waiting for you to snap that but latter it will shock you with the secret that inside. Reading this book beside it was fantastic author who write the book in such wonderful way makes the content inside of easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.

Marilyn Vance:

Are you kind of occupied person, only have 10 or 15 minute in your day time to upgrading your mind talent or thinking skill also analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short period of time to read it because this all time you only find book that need more time to be go through. Army Aviation Maintenance (TC 3-04.7) can be your answer mainly because it can be read by an individual who have those short extra time problems.

Lou Whisenhunt:

In this period globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher this print many kinds of book. Often the book that recommended for

your requirements is Army Aviation Maintenance (TC 3-04.7) this reserve consist a lot of the information in the condition of this world now. This specific book was represented how do the world has grown up. The words styles that writer use to explain it is easy to understand. Typically the writer made some research when he makes this book. That's why this book appropriate all of you.
