Thomas King: Works and Impact From Camden House

Thomas King is one of North America's foremost Native writers, best known for his novels, including *Green Grass, Running Water*, for the *Dreadful Water* mysteries, and for collections of short stories such as *One Good Story, That One* and *A Short History of Indians in Canada*. But King is also a poet, a literary and cultural critic, and a noted filmmaker, photographer, and scriptwriter and performer for radio. His career and oeuvre have been validated by literary awards and by the inclusion of his writing in college and university curricula. Critical responses to King's work have been abundant, yet most of this criticism consists of journal articles, and to date only one book-length study of his work exists. *Thomas King: Works and Impact* fills this gap by providing an up-to-date, comprehensive overview of all major aspects of King's oeuvre as well as its reception and influence. It brings together expert scholars to discuss King's role in and impact on Native literature and to offer in-depth analyses of his multifaceted body of work. The volume will be of interest to students and scholars of literature, English, and Native American studies, and to King aficionados. Contributors: Jesse Rae Archibald-Barber, Julia Breitbart, Stuart Christie, James H. Cox, Marta Dvorak, Floyd Favel, Kathleen Flaherty, Aloys Fleischmann, Marlene Goldman, Eva Gruber, Helen Hoy, Renée Hulan and Linda Warley, Carter Meland, Reingard M. Nischik, Robin Ridington, Suzanne Rintoul, Katja Sarkowsky, Blanca Schorcht, Mark Shackleton, Martin Kuester and Marco Ulm, Doris Wolf. Eva Gruber is Assistant Professor in the Department of American Studies at the University of Konstanz, Germany.

Editorial Review

Review

Provides a thorough analysis of King's role as a writer and storyteller. . . . One key chapter, Reingard Nischik's . . . , provides the first-ever treatment of King's poetry. . . . In his contribution, . . . James Cox examines King's response to US/Canadian Indian legislation and activist responses to it. . . . Most important, the last of the book's five parts provides an invaluable bibliography of all of King's work (including his photography) and critical essays about it. Recommended. All academic readers. CHOICE

About the Author

Assistant Professor at the Department of Literature/American Studies, Universitat Konstanz (University of Constance).

Users Review

From reader reviews:

Walter McBride:

What do you think about book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Simply you can be answered for that concern above. Every person has various personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great and also important the book Thomas King: Works and Impact. All type of book would you see on many methods. You can look for the internet resources or other social media.

Angela Powers:

Nowadays reading books become more than want or need but also be a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of reserve you read, if you want send more knowledge just go with training books but if you want feel happy read one having theme for entertaining for example comic or novel. Typically the Thomas King: Works and Impact is kind of guide which is giving the reader unpredictable experience.

Robert Nguyen:

The e-book with title Thomas King: Works and Impact possesses a lot of information that you can study it. You can get a lot of profit after read this book. That book exist new expertise the information that exist in this reserve represented the condition of the world at this point. That is important to yo7u to be aware of how the improvement of the world. This particular book will bring you within new era of the globalization. You can read the e-book with your smart phone, so you can read this anywhere you want.

Adeline Norris:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Thomas King: Works and Impact can make you feel more interested to read.
