Wonderful Winter: All Kinds of Winter Facts and Fun By Bruce Goldstone

Winter is a season of wondering and waiting. We wonder why some trees lose their leaves while others stay green all winter long. We wait for the first snowfall?and then wonder at how amazing each snowflake is. We wonder how animals manage to live in the cold. And we can't wait to celebrate Christmas, Hanukkah, and Kwanzaa.

With vivid photographs, lively explanations, and creative craft ideas, Bruce Goldstone presents all the fascinating facts that make winter so wonderful!

This title has Common Core connections.

Editorial Review

From School Library Journal

K-Gr 3—An exploration of the wonders of winter. Big, bold text starts off the reading adventure, with smaller, more detailed text following up. The title begins with the theme of waiting ("We wait for the days to get longer") but soon switches focus to the senses ("How does winter feel?"). There is a lot of read-aloud potential in this book, but the sudden shifts in topics will likely make it a difficult experience. For instance, a spread on winter sounds features winter-related onomatopoeia in large, colorful type ("crunch," "drip," "brrrrrr") that makes this offering great for sharing with an audience, but the very next spread contains a lengthy discussion of how snow forms. The photos are bright and clear and generally represent the text well, but the layout is very busy. VERDICT A browsable selection on the winter season. Goldstone's *Awesome Autumn* is similarly designed, albeit better organized.—Rachel Reinwald, Lake Villa District Library, IL

Review

"Readers will be doing a snow dance and waiting for winter all the more." *?Kirkus Reviews*

"This large-format book introduces winter through observations, pertinent facts, and clear, colorful photos.... appealing illustrations and clearly presented information." *?Booklist*

"This visually and narratively engaging exploration of the season offers the perfect jumpstart for autumnal studies in the classroom or library." *?The Bulletin*

"[An] attractive guide to fall, which is sure to be popular with classroom teachers." *?Booklist*

"A good reference book for young scholars who will love both the photos and the fun facts." *?School Library Journal*

About the Author

Bruce Goldstone has always liked cold weather, having grown up outside Cleveland, with its bracing (and persistent) lake-effect snow. These days, wonderful winter mornings find him in one of New York City's great parks with his feisty dog Jasper. Once they're back home, Bruce settles down to work, creating acclaimed books such as *Great Estimations*, *I See a Pattern Here*, *Awesome Autumn*, and *That's a Possibility!*

Users Review

From reader reviews:

Doris Williams:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for

us to learn everything in the world. Each e-book has different aim or perhaps goal; it means that reserve has different type. Some people sense enjoy to spend their a chance to read a book. They can be reading whatever they have because their hobby will be reading a book. Think about the person who don't like looking at a book? Sometime, man or woman feel need book once they found difficult problem as well as exercise. Well, probably you will need this Wonderful Winter: All Kinds of Winter Facts and Fun.

Joseph Chandler:

The book Wonderful Winter: All Kinds of Winter Facts and Fun can give more knowledge and information about everything you want. So just why must we leave a good thing like a book Wonderful Winter: All Kinds of Winter Facts and Fun? Wide variety you have a different opinion about publication. But one aim in which book can give many details for us. It is absolutely right. Right now, try to closer with the book. Knowledge or information that you take for that, it is possible to give for each other; you are able to share all of these. Book Wonderful Winter: All Kinds of Winter Facts and Fun has simple shape however, you know: it has great and massive function for you. You can seem the enormous world by available and read a publication. So it is very wonderful.

Richard Sims:

This Wonderful Winter: All Kinds of Winter Facts and Fun is great guide for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. This particular book reveal it data accurately using great organize word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but hard core information with splendid delivering sentences. Having Wonderful Winter: All Kinds of Winter Facts and Fun in your hand like having the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world in ten or fifteen moment right but this reserve already do that. So , this can be good reading book. Hey Mr. and Mrs. stressful do you still doubt that will?

Catherine Mejia:

Reading a book for being new life style in this 12 months; every people loves to study a book. When you examine a book you can get a lot of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you would like get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, and soon.
