"Everything about this story brims with emotion. Jacobs is a sublime storyteller." 4 1/2 stars! Top Pick! ~ RT BOOKClub

From the Author

Welcome to *A Holly Jacobs Classic Romance*. I added that tagline just to be sure readers understand that this is an older book.

Perry Square is a real park in downtown Erie. When I set the first book in the series (*Do You Hear What I Hear?*) there, I didn't know that I'd keep returning. All the shops in my series are fictional, but if you're ever in Erie, I hope you stop in and visit the real Square. In the meantime, I hope you'll visit it in my award winning series. Silhouette used the tagline, Perry Square: Where Love is Found...and Lasts Forever! It's been more than a decade since the series started, and I'm just as in love with the Square and the people in it as I was when I wrote the books! I'm so happy they're available again!

Here's the series in order, but each book stands alone! I so hope you enjoy!
