Fantasy of Fire (The Tainted Accords Book 3) By Kelly St. Clare

Fantasy of Fire is the third action-packed title in The Tainted Accords series.

An army is half way to Glacium.

And not just any army - it belongs to my mother.

Time is running out as I rush to prevent a war which will kill thousands; The Solati people, my brothers, and the many Bruma I've come to care for.

Yet it appears preventing this inter-world war is just one snowball in an avalanche of problems as the situation in Glacium becomes volatile and destructive. My various identities hover on the edge of discovery, forcing me to consider drastic action. Old questions rise up and threaten to explode. The two halves of me tug in opposite directions.

The Tatuma of Osolis knows what she should do, and the Olina of Nowhere Special finally knows what feels right.

What it really comes down to is, am I brave enough to follow my heart?
