Bold As Brass: My Story

The extraordinary and gripping autobiography of our favourite businesswoman.

Common Sense Rules

As direct and to-the-point on the page as she is in the Den, Deborah Meaden is a superbly clear-sighted and experienced observer of business success, and her book is guaranteed both to inform and inspire.

Enter the Dragon

Theo Paphitis is the outspoken and charismatic star of Dragons' Den who has turned round a string of household names, from Ryman to La Senza, in a high-profile business career that has brought him millions. Now, in his revealing and controversial memoir, he not only takes the reader behind the scenes on Dragons' Den, he explains how he made his fortune. He also provides a masterclass in business methods that will enable anyone who reads this book to learn so much about how they too can improve t

Tycoon

Dragon's Den star Peter Jones will demonstrate how anyone can become successful - you just need guts, determination and ideas.

Anyone Can Do It

Hugely articulate, and with numerous fascinating and revealing stories to tell, this is an autobiography and a business book unlike any other - but then Bannatyne isn't like any other businessman, either.

The Real Deal

After dropping out of school at just sixteen, James Caan started his business life in a broom cupboard with no qualifications and two pieces of fatherly wisdom: 'observe the masses and do the opposite' and 'always look for opportunities where

both parties benefit'. Armed with this advice, natural charm and the Yellow Pages, he built a market-leading business with a turnover of ú130 million and swiftly became one of Britain's most successful entrepreneurs.
