Jane Austen's Last, Unfinished Novel

“I am no indiscriminate novel reader. The mere trash of the common circulating library I hold in the highest contempt.” ? *Jane Austen, Sanditon*

Set in 19th century England, Jane Austen's last novel was completed by another author after her death. While it is still debated whether Sanditon was simply a first draft or marked a shift in Austen's writing style, the story of the daily lives of a cast of characters living in Sanditon makes for a lively read for Jane Austen fans. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This ebook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.
