- Includes a toolkit that provides a ready foundation for learning based on checklists, templates, and scorecards that can be adapted and customized to the needs of an individual firm
- Written by an author with more than 13 years working in different aspects of corporate and institutional banking, from capital markets to transaction services
- Written by an author who has spent many years working

The Handbook of Global Corporate Treasury serves as a ready reference for anyone interested in the nuances and practicalities of the complex world of corporate treasury.
