### **The Way of Men** By Jack Donovan

What is masculinity? Ask ten men and you'll get ten vague, conflicting answers. Unlike any book of its kind, *The Way of Men* offers a simple, straightforward answer-without getting bogged down in religion, morality, or politics. It's a guide for understanding who men have been and the challenges men face today. *The Way of Men* captures the silent, stifling rage of men everywhere who find themselves at odds with the over-regulated, over-civilized, politically correct modern world. If you've ever closed your eyes and wished for one day as a lion, this book is for you.

### Editorial Review

#### Review

"Jack Donovan has written a thought-provoking treatise on the essential struggle of men, taking on timeless concepts, in an honest examination of what manhood means to him. [...] while I didn't always agree with everything he said--I am a better man for reading it." - Sam Sheridan, *A Fighter's Heart, A Fighter's Mind*

"A thought provoking read on what it means to be a man today in a world that's increasingly finding masculinity undesirable and un-needed. Donovan makes bold and unapologetic arguments on what The Way of Men needs to be in the future." - Brett McKay, *The Art of Manliness, Manvotionals*

"Absolutely love this book! I found Jack's comments on the underlying primal instincts that motivate men and what can generate unity within a group to be both thought provoking and spot on from a leadership perspective." - Chris Duffin, AAPF and APA record-holding competitive powerlifter, coach, and gym owner.

"Peering behind the layers of civility we indulge in as a matter of pretense, Donovan explores the primal relationship between tribal identity and masculinity, and emerges endorsing a type of Nietzschean struggle for significance through conflict" - Brett Stevens, *Amerika.org*

"This book should be required reading for all American men, containing brilliant insights I had not previously considered. It clearly shows how your masculinity is being muzzled in order to achieve an experimental result that doesn't serve your interests. Highly recommended." - Roosh V, author of 30 Bangs, etc.

#### About the Author

Jack Donovan moonlights as an advocate for masculinity and tribalism. He has contributed popular essays and reviews to *The Spearhead*, *Alternative Right*, *Counter Currents*, *The Hall of Manly Excellence*, *Amerika* and other sites. He lives and works near Portland, Oregon. This is his third book. For more, visit: [jack-donovan.com/](http://jack-donovan.com/)

#### From reader reviews:

#### Alejandro Koenig:

Why don't make it to become your habit? Right now, try to prepare your time to do the important take action, like looking for your favorite reserve and reading a book. Beside you can solve your long lasting problem; you can add your knowledge by the reserve entitled The Way of Men. Try to make the book The Way of Men as your good friend. It means that it can to become your friend when you truly feel alone and beside that of course make you smarter than previously. Yeah, it is very fortunated for you. The book makes you more confidence because you can know every little thing by the book. So , let's make new experience as well

as knowledge with this book.

**Kevin White:**

Here thing why this particular The Way of Men are different and trustworthy to be yours. First of all looking at a book is good however it depends in the content of it which is the content is as delicious as food or not. The Way of Men giving you information deeper including different ways, you can find any reserve out there but there is no reserve that similar with The Way of Men. It gives you thrill studying journey, its open up your personal eyes about the thing in which happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in playground, café, or even in your approach home by train. Should you be having difficulties in bringing the imprinted book maybe the form of The Way of Men in e-book can be your option.

**Robert Irizarry:**

The book The Way of Men will bring someone to the new experience of reading the book. The author style to describe the idea is very unique. If you try to find new book to read, this book very suitable to you. The book The Way of Men is much recommended to you to read. You can also get the e-book from your official web site, so you can easier to read the book.

**Steven Atkins:**

Reading a reserve tends to be new life style with this era globalization. With examining you can get a lot of information that could give you benefit in your life. Having book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this The Way of Men.
