Editorial Review

From the Publisher

It is truly rare for a book to be a real classic. But that certainly is the case with Anodea Judith's *Wheels of Life*.

When it was first published there was not much in-depth information about the chakras available in the West. But that changed with *Wheels of Life*. People responded by buying over 125,000 copies of this wonderful book.

Now, *Wheels of Life* has been revised and expanded to meet the times and keep this book the leading title on the subject.

The main focus of *Wheels of Life* is an in-depth examination of each chakra. But it doesn't stop there, for above all, this book is practical. You will learn what each chakra can do for you and how you can clear it, balance it, and strengthen it to help you achieve optimum health, improved spirituality, and strengthening of psychic powers.

Other topics look at the chakras as a group so you can see how they interact. You will learn how chakras function in relationships. New in this edition is an entire chapter on how to foster healthy chakras in children.

Together, the seven chakras form a profound formula for wholeness that integrates mind, body, and spirit. From liberating our spirits to manifesting our dreams, the chakras are the very wheels that carry us through life.
