Black By T.L. Smith

I am loyal, but I will betray you.

I am strong, but I have scars.

I am an angel, but the devil.

I met her when I was sixteen and she was a breath of fresh air. She swooped in, making me smile. But then she left, taking my next breath with her.

Her smile could light up a room, making my black heart pitter patter.

I found her again ten years later, with a syringe in her arm.

Blood coming from between her legs.

She was broken and I was glad she was broken. She wouldn't think less of me and my damaged ways.

Editorial Review

Review

Yet again, TL Smith has produced a novel so intense, raw, gritty, confronting and dark that we were held captive from beginning to end. A highly emotional read we didn't know weather to laugh, cry or just simply hold our breath. And the damn ending.....All we can say is.....We don't even know what to say it left us speechless.....TL again you have completely flawed us with your uniqueness and ability to draw out so many emotions within ourselves in this amazing novel. We absolutely loved it and cannot wait for more!! -

Bloggers From Down Under

Black is my favorite so far from TL! I was addicted right from the start, definitely worth taking a chance on Black, its gut wrenching beautiful!! - **Author Lila Rose, USA best seller.**

An tumultuous series of events that will leave your head spinning and your heart bursting - **My Persons Books.**

Users Review

From reader reviews:

Brian Davis:

This Black is great reserve for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great plan word or we can claim no rambling sentences inside it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but hard core information with lovely delivering sentences. Having Black in your hand like keeping the world in your arm, details in it is not ridiculous one. We can say that no guide that offer you world inside ten or fifteen tiny right but this publication already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt in which?

Jerri Montgomery:

You could spend your free time to read this book this publication. This Black is simple bringing you can read it in the recreation area, in the beach, train and also soon. If you did not get much space to bring the actual printed book, you can buy the e-book. It is make you easier to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Mary Peterson:

Many people spending their time by playing outside together with friends, fun activity with family or just watching TV the whole day. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you consider reading a book can really hard because you have to take the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Mobile phone. Like Black which is keeping the e-book version. So , try out this book? Let's see.

Paul Queen:

Reserve is one of source of information. We can add our information from it. Not only for students but native or citizen have to have book to know the change information of year to help year. As we know those publications have many advantages. Beside many of us add our knowledge, can bring us to around the world. With the book Black we can consider more advantage. Don't someone to be creative people? For being creative person must choose to read a book. Just choose the best book that suitable with your aim. Don't always be doubt to change your life at this time book Black. You can more inviting than now.
