Editorial Review

Review

So beautiful and truly inspiring. Dreams Come True is the perfect little book for instilling confidence, hope, and joy in the youngest of hearts! --Olivia Culpo, 2012 Miss Universe

From the Author

Jambo Fellow Adventurer!

Have you ever had a project go suddenly and disappointingly off course ... only to end-up exceeding your wildest expectations? Rarely has this been so extreme - both heartbreaking and Whoohoo-inducing - as it was for *Dreams Come True*.

Over a 3 year period, nothing I said or did could persuade any publisher to take it on.

Over the next year, nothing I said or did could persuade the artists of my choice to take it on.

Finally, an agency made a timid recommendation, their third.... and *suddenly (over 4 years later!)* the project fell into a "Twilight Zone" of creative serendipities and divine collaboration with the heaven sent Virginia Allyn, proving once again that by holding onto a vision in spite of appearances, taking action, and never giving up... *dreams do come true!*

Today, however, on the other end of the creative process, I'd like to remind others what I had too easily forgotten. That while *dreams most certainly do come true...*

- *only in hindsight are the miracles obvious,*
- *only in hindsight can we see how guided we were,*
- *and only in hindsight do we find that all along there was a plan.*

To *your* miracles, guides, and the plans that await -

Mike Dooley
