Duplicity By N. K. Traver

A computer-hacking teen. The girl who wants to save him. And a rogue mirror reflection that might be the death of them both.

In private, seventeen-year-old Brandon hacks bank accounts just for the thrill of it. In public, he looks like any other tattooed bad boy with a fast car and devil-may-care attitude. He should know: he's worked hard to maintain that façade. With inattentive parents who move constantly from city to city, he's learned not to get tangled up in things like friends and relationships. So he'll just keep living like a machine, all gears and wires.

Then two things shatter his carefully-built image: Emma, the kind, stubborn girl who insists on looking beneath the surface – and the small matter of a mirror reflection that starts moving by itself. Not only does Brandon's reflection have a mind of its own, but it seems to be grooming him for something?washing the dye from his hair, yanking out his piercings, swapping his black shirts for ... *pastels*. Then it tells him: it thinks it can live his life better, and it's preparing to trade places.

And when it pulls Brandon through the looking-glass, not only will he need all his ill-gotten hacking skills to escape, but he's going to have to face some hard truths about who he's become. Otherwise he'll be stuck in a digital hell until he's old and gray, and Emma and his parents won't even know he's gone.

Huffington Post lists N. K. Traver's *Duplicity* as part of one of the great YA book trends to look for in 2015 ?don't miss it!

Editorial Review

Users Review

From reader reviews:

Steven Williams:

This Duplicity usually are reliable for you who want to certainly be a successful person, why. The reason why of this Duplicity can be one of many great books you must have is usually giving you more than just simple studying food but feed you with information that might be will shock your preceding knowledge. This book will be handy, you can bring it all over the place and whenever your conditions at e-book and printed ones. Beside that this Duplicity forcing you to have an enormous of experience for instance rich vocabulary, giving you demo of critical thinking that we all know it useful in your day action. So , let's have it and enjoy reading.

Joe Lowe:

People live in this new day of lifestyle always attempt to and must have the extra time or they will get lot of stress from both way of life and work. So , if we ask do people have extra time, we will say absolutely sure. People is human not only a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to an individual of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative throughout spending your spare time, typically the book you have read is usually Duplicity.

Elizabeth Schwartz:

Duplicity can be one of your nice books that are good idea. We all recommend that straight away because this publication has good vocabulary which could increase your knowledge in vocab, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort to set every word into pleasure arrangement in writing Duplicity nevertheless doesn't forget the main stage, giving the reader the hottest along with based confirm resource info that maybe you can be among it. This great information could drawn you into fresh stage of crucial considering.

David Fulton:

Are you kind of busy person, only have 10 or perhaps 15 minute in your morning to upgrading your mind talent or thinking skill actually analytical thinking? Then you are experiencing problem with the book than can satisfy your short period of time to read it because all this time you only find e-book that need more time to be study. Duplicity can be your answer as it can be read by anyone who have those short free time problems.
