Honeymoon With a Prince (Royal Scandals Book 2) By Nicole Burnham

Passionate fantasy...or intimate betrayal?

After dumping her rich, lying louse of a fiancé, designer Kelly Chase opts to take her honeymoon solo. What better chance to nurse her wounds in solitude than two weeks of pre-paid beachfront bliss on the breathtaking Mediterranean island of Sarcaccia? Yet when she meets gorgeous local beach bum Massimo, solitude is suddenly less important than enjoying the company of an honest man ... a man whose eyes reveal a private anguish.

Fresh from brutal combat, seeking privacy and a chance to heal, Prince Massimo Barrali is intrigued by the gorgeous American who fails to recognize him and treats him as an equal. He offers her dinner, but dinner quickly turns into a night of intense passion...until the police come knocking on the door of Kelly's rented villa.

Kelly's horror at the discovery her fiancé stole her honeymoon fund turns to humiliation when Massimo arrives to post her bail. Once again, she's been deceived by a man who isn't what he appears. But when Prince Massimo offers her a job at the royal palace and a chance to pay her debts, she can't refuse. She hates that she's forced to work with him, hates the desire that still burns between them, but how can she forget the secret torment she saw in him or their sensuous night under the stars?

Users Review

From reader reviews:

Jodie Long:

Nowadays reading books are more than want or need but also work as a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want feel happy read one using theme for entertaining including comic or novel. The Honeymoon With a Prince (Royal Scandals Book 2) is kind of book which is giving the reader erratic experience.

Denise Welton:

Reading a reserve can be one of a lot of exercise that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new details. When you read a e-book you will get new information because book is one of several ways to share the information or their idea. Second, reading through a book will make a person more imaginative. When you looking at a book especially hype book the author will bring you to imagine the story how the figures do it anything. Third, you could share your knowledge to other folks. When you read this Honeymoon With a Prince (Royal Scandals Book 2), you may tells your family, friends along with soon about yours publication. Your knowledge can inspire the mediocre, make them reading a publication.

Greg Butler:

The particular book Honeymoon With a Prince (Royal Scandals Book 2) has a lot associated with on it. So when you read this book you can get a lot of advantage. The book was authored by the very famous author. Mcdougal makes some research before write this book. This book very easy to read you will get the point easily after scanning this book.

David Cormier:

Why? Because this Honeymoon With a Prince (Royal Scandals Book 2) is an unordinary book that the inside of the guide waiting for you to snap it but latter it will distress you with the secret that inside. Reading this

book adjacent to it was fantastic author who all write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of positive aspects than the other book have such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the e-book store hurriedly.
