In Rides Trouble (Black Knights Inc.) By Julie Ann Walker

Becky "Rebel" Reichert never actually goes looking for trouble. It just has a tendency to find her. Like the day Frank Knight showed up at her door, wanting to use her motorcycle shop as a cover for his elite special ops team. But Becky prides herself on being able to hang with the big boys-she can weld, drive, and shoot just as well as any of them. Munitions, missiles, and mayhem are Frank's way of life. The last thing the ex-SEAL wants is for one brash blonde to come within fifty feet of anything that goes boom. Yet it's just his rotten luck when she ends up in a hostage situation at sea. Come hell or high water, he will get her back-whether she says she needs him or not.
