### **Editorial Review**

#### **About the Author**

At the age of 19, Andrii obtained his CCIE (Certified Cisco Internetwork Expert) certification, the most respected certification in the IT world, and became the youngest person in Europe to hold it. At the age of 23, he joined an MBA program at one of the top 10 MBA schools in the USA. Being the youngest student on the program and at the age of 25 he joined Cisco Systems' Head Office as a Product Manager responsible for managing a router which brought in \$1 billion dollars in revenue every year. These experiences have taught Andrii that success in any endeavor doesn't as much depend on the amount of experience you have but rather on the processes that you are using. Having dedicated over 10 years to researching and practicing a variety of different techniques, Andrii has created the Business Idea Factory system. This system will help you to unleash your potential in creating successful business ideas in a very short period of time.
