The Healing Power of Water By Masaru Emoto

Caroline Myss, author of Sacred Contracts, calls Dr. Emoto, "magnificent...genius...His research in spiritual consciousness is positively masterful."

This book will transform your world view. **Dr. Masaru Emoto's** first book, *The Hidden Message in Water*, told about his discovery that crystals formed in frozen water revealed changes when specific, concentrated thoughts were directed toward them. He also found that water from clear springs and water that has been exposed to loving words showed brilliant, complex and colourful snowflake patters. In contrast, polluted water, or water exposed to negative though formed incomplete, asymmetrical patterns with dull colors.

The implications of this research creates a new awareness of how we can positively impact the Earth and our own personal world. This book takes you further and deeper into how you can affect your own personal healing by reading it.

Ron Matthies:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Healing Power of Water can make you feel more interested to read.
