Editorial Review

Review

"Drawing on the expertise of nearly 190 international contributors, editor Tracy (Univ. of Colorado, Boulder) and her associate editors have compiled a thorough, up-to-date guide to language and social interaction (LSI)." (Choice 2016)

From the Back Cover

Language and social interaction is a globally thriving international and interdisciplinary area of research, forming a crucial area of teaching, especially at the graduate level. The *International Encyclopedia of Language and Social Interaction* reflects this global importance with a valuable, distinctive reference work for students and academics with international contributions from leading scholars. It successfully brings into a single source explication of all of the fascinating and ground-breaking work in the area that is developing globally and across a broad range of subjects.

The Wiley Blackwell-ICA International Encyclopedias of Communication Series publishes A–Z encyclopedias representing the major subfields and areas of communication studies to provide state-of-the-art research for scholars in a highly interactive and accessible format. Together, these works provide a gateway to communication research for generations of students and scholars all over the world.
