## Yellow Submarine By The Beatles

**A whole new generation will be climbing aboard this sunny, psychedelic storybook, while nostalgic Beatles fans of all ages will be clamoring for a ticket to ride.**

Once upon a time (or maybe twice), some 80,000 leagues beneath the sea, there lay a colorful land of song and laughter called Pepperland, where Sergeant Pepper's Band was always playing your song — until the Blue Meanies burst on the scene and chased all the music and magic away. So began the classic 1968 film *Yellow Submarine*, inspired by a song and hailed as an avant-garde amalgam of pop art, Beatles music, and highly innovative animation. Now that film's dazzling images — and its lighthearted, witty tale — is showcased in a glorious picture book sure to be savored by fans and readers of all ages.

### Editorial Review

From School Library Journal

Grade 1-5—In 1968, the movie *Yellow Submarine* broke new ground by combining popular songs with clever animation to tell a surrealistic story. This book combines an adaptation of the screenplay with artwork from the film. When Pepperland is threatened by the Blue Meanies and its inhabitants are turned into colorless statues, Captain Fred climbs into a yellow submarine and sets off to get help. After landing in Liverpool, he returns with the Beatles and together they journey underwater through the Sea of Monsters, are sucked into an inside-outside world, and survive the Sea of Holes. Eventually, they return to Pepperland to discover that the Fab Four fit into the uniforms of Sergeant Pepper's Lonely Hearts Club Band. When they begin to sing, everything returns to normal and even the Blue Meanies are transformed into kinder, gentler beings. Trying to translate the ebullience of the movie into a book is a daunting challenge, one that doesn't quite succeed. The text has some of the wonderful puns from the movie, but somehow they fall flat here. Some references might be over the heads of many youngsters. The illustrations combine slightly blurry film cels with pop-art cartoons of the main characters. The color palette is off with some of the yellows turned greenish. Neither the words nor the music of the title song are included. Still, for children who are interested in animation and movies, this book does have a place.—*Bina Williams, Bridgeport Public Library, CT*

About the Author

Inspired by the song "Yellow Submarine" from the Beatles' Revolver album, the film YELLOW SUBMARINE was released in 1968 and was quickly hailed as a visionary masterpiece. This extraordinary collaboration of talent — Heinz Edelmann's art wedded with Beatles music — was brought to life in celluloid with groundbreaking animation techniques. More than thirty-five years later, the film continues to beguile adults and children alike.

### Users Review

**From reader reviews:**

**Daria Gertz:**

Precisely why? Because this Yellow Submarine is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content interior easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking means. So , still want to delay having that book? If I had been you I will go to the guide store hurriedly.

**Steve Pratt:**

This Yellow Submarine is great reserve for you because the content and that is full of information for you who all always deal with world and still have to make decision every minute. That book reveal it information accurately using great coordinate word or we can state no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but

difficult core information with attractive delivering sentences. Having Yellow Submarine in your hand like finding the world in your arm, facts in it is not ridiculous just one. We can say that no e-book that offer you world with ten or fifteen moment right but this reserve already do that. So , this is good reading book. Hey Mr. and Mrs. hectic do you still doubt which?

**Michael Stanford:**

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Yellow Submarine can make you sense more interested to read.

**Lee Long:**

What is your hobby? Have you heard which question when you got pupils? We believe that that question was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you know that little person such as reading or as looking at become their hobby. You should know that reading is very important along with book as to be the factor. Book is important thing to increase you knowledge, except your teacher or lecturer. You see good news or update with regards to something by book. Many kinds of books that can you take to be your object. One of them is Yellow Submarine.
